Every student participating in Pop Show will receive a pop show shirt to wear for the opening and closing of the show. Each class will wear a different "themed" type outfit that goes with their class performance. The main goal is to create an outfit that you can piece together without purchasing new items.

Shirts do not have to be all one color but should be of that color in nature. You may wear a dress, blouse, etc. that will match the theme as long as it is school appropriate. Remember skirts and dresses must go to your knees since you will be up on stage and the audience is looking up at you. Be cautious!

For Pompeii, please we wear shorts and a white shirt. Sleeveless shirts are fine but no tank tops. Your toga should be a bed sheet and the funnier the better!

For 50/60/80's styles, hair and accessories are great if you have trouble finding clothing for that period. No need to go crazy just make it simple and look the part.

*****BORROW ITEMS FROM FRIENDS AND FAMILY SO YOU DO NOT HAVE TO GO OUT AND BUY ANYTHING*****
